

Sumitomo Chemical Engineering Co., Ltd.
Personal Information Protection Policy

Sumitomo Chemical Engineering Co. Ltd (hereinafter referred to as SCEC) recognizes the importance of protecting personal information in our advanced information and communications society. SCEC has determined its Policy on the Protection of Personal Information as follows and makes efforts to strictly manage Personal Information.

1. SCEC makes efforts to maintain its level of information security and properly handles your personal information in order to keep yours correct and updated and to prevent yours from improper access, leakage, being lost or changed.

2. In collecting personal information, SCEC's purpose of its use is to provide you with notice or announcements. SCEC does not use personal information for any purposes other than the purpose provided you.

3. Your personal information is properly managed in order to avoid disclosure to any third party without legitimate reasons, including but not limited to the following.
 - (1) If you have given your consent
 - (2) In the event that SCEC is requested by a public agency based on relevant laws or ordinances
 - (3) In the event of an emergency, in order to protect human life or property

4. If your request in writing or by facsimile is given to SCEC that your personal information be corrected, added to, deleted, etc., SCEC will handle them appropriately.

5. SCEC complies with relevant laws or ordinances and may change this Policy in accordance with changes in such relevant law or ordinance. In addition, SCEC makes efforts to review and improve its handling of Personal Information as appropriate.
